Unfinished Business

- ☐ The grant process draft was edited and approved by the committee. Belinda will format it into a checklist and add language to combine items 6&7. Final documents will be sent to Trustee Watkins for uploading on the 25th and to village hall for the website.
- ☐ The "call...for final inspection" was deleted from the application.
- ☐ We have received one grant application from Ed Davis in Graymoor. Currently seven people have signed up for the March 25th zoom meeting orientation: Charles Durley (Arcadia), Sharon Bean, Loren Priebe and Karen McCormick (Original Village), Gwen Bowen (Wysteria), Ed Davis (Graymoor) and George Chandler (Vienna Woods)

New Business

- ☐ Susan G. provided an update on the April clean up month. HOAs will contact Jim Landini with dates and needs for their individual clean up events. The BC has tentatively chosen April 24th for clean up on Kedzie and Lincoln Hwy. Residents will be invited to help. Trustee Watkins will contact the county for possible clean up of Vollmer on Earth Day, April 22nd. Susan G. will check with Landini about garbage bags and if additional pickers have been ordered. The April clean up will be part of our orientation on March 25th.
- ☐ Arbor Day is April 30th. Belinda will select the appropriate tree. All members are to submit suggestions for location by April 1st. Trustee Watkins would like a River Birch planted on the Trails walking path.
