

Beautification Committee Meeting

Village of Olympia Fields

June 13, 2022

5:30 p.m. Public Works Building

Agenda: The meeting was called to order at 5:35 p.m.

- **Roll Call**
- **Minutes** – approved as provided
- **Village/Budget Update** – Sandra Finley
 - The Flexnet project is almost completed which includes the installation of new water meters and the system for reading them from the top of the water tower. With the ability to read usage immediately, this will help mitigate billing aberrations and detect water usage problems sooner.
- **Public Works Update** – Terence Acquah
 - Street safety signs (i.e. slow down children playing) have been replaced for Olympia Fields East subdivision.
 - Some of the Arbor Day planted trees on 207th have died. P.W. is working with the HOA and Ms. Hopkins to resolve issues of removal.
 - The Landscape/Holiday award sign replacement has been approved for the full order. They will hopefully be available for use with the 2022 summer awards.
 - Update regarding the Village Hall island replanting: The area will require irrigation which will add to the cost. DJ will kill the current vegetation to ease the removal. We still want this project completed in 2022.

Unfinished Business

- Green Committee updates – Susan G. – no report
- 2022 Landscape Awards – Arlene B. – Letters have been updated and sent to Monique Smith for mailing/emailing to HOA presidents.
- BC Grants 2022 – The Greens, Vienna Woods – Arlene B. – both grants have been approved.
- 50/50 tree program update – Susan M. & Belinda B. – Cedar Path Nursery does not deliver trees to individual homes.

New Business

- **None**
-

Next Meeting – meeting adjourned at 6:18 p.m.

- July 18th
