Village of Olympia Fields

Once again, I am pleased to present the annual budget for the Village of Olympia Fields for the fiscal year beginning May 1, 2025, through April 30, 2026. The budget reinforces the three guiding principles that are the North Star of our administration:

- To Maintain and Preserve the Beauty, Charm and Nature of Olympia Fields.
- To Improve the Efficiency of Our Village Government.
- To Protect Property Values with an Economic Development Program Consistent with Future Lifestyles and New Economy Business Models.

VILLAGE ADMINISTRATOR/  
CHIEF OF STAFF

DIRECTOR OF COMMUNICATIONS

*Jessica Washington*

The Village's fund balance policy requires that five months or 40 percent of expenses be held in reserve in the General Fund. Fiscal yearend 2025, we project that the General Fund will have 10 months or 90 percent of expenses in reserve resulting from an anticipated surplus of \$249,249.

BUILDING COMMISSIONER

*John M. McDonnell*

The fiscal year 2026 budget projects a General Fund operating surplus of \$137,122. The Village staff continues to hold down costs; however, certain expenses, such as pension obligations and inflationary cost increases for goods and services, are beyond the Village's control.

DIRECTOR OF FINANCE

*Lisa Fifer-Smith*

Our five-year forecast indicates the need for the Village to explore additional revenue generating opportunities of which economic development will continue to figure prominently.

CHIEF OF POLICE

*Derrick Blasingame*

DIRECTOR OF PUBLIC WORKS

*Art Jones*

We are at a pivotal moment in our history. The current economic climate poses unique challenges; however, our size, socio-economic and demographic factors, and burgeoning commercial development, as well as the annexation of the Olympia Fields Country Club, and the proximity of world-class transportation, all help to solidify Olympia Fields' status as a destination place.

OFFICE HOURS:

8 a.m.—5 p.m. Monday—Friday

---

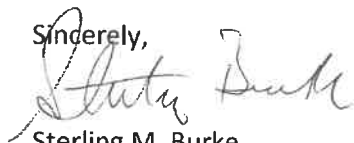

Growth of our commercial tax base is critical to ensuring that our future remains bright. Robust commercial development is an essential component of the balanced approach required to secure a return on investment for the residents of Olympia Fields. We will continue to pursue *real* economic development that augments and supports our small village ambience while positioning us to take advantage of current and future trends in technology.

The annexation of the Olympia Fields Country Club has been a game changer, the social and economic benefits of which will be felt well into the future. The concomitant sales and property tax revenue and licensing fees, not to mention the increased visibility and brand enhancement, will only inure to the advantage of the Village.

Olympia Fields is and will continue to be uniquely situated to attract young, upwardly mobile professionals and families who espouse the vision, lifestyle, and values that will enable the Village to flourish and remain a great place to live, raise a family, and run a business.

This administration, in conjunction with our Economic Development and Planning and Zoning commissions, will leave no stone unturned to ensure that our Village maintains its preeminent role in the southern suburbs.

Sincerely,

A handwritten signature in cursive script, appearing to read "Sterling M. Burke".
